

Cathy Nassetta, (Clerk of Court) FILED  
IN CLERK'S OFFICE  
3 years ago I saw and at  
an election book it said 2004 June 8 P 12:04  
get all the cable channels. In the  
ad said nothing about being  
anything to us when I received  
it in the mail and opened  
the package and read the invoice  
and realized it had to be  
connected to cable. I knew I could  
not pay the monthly bill along with  
the present one. I then called the  
company, I ask if I could return  
that said it had to be the original  
box which was thrown out  
I did not hook up the box  
I throw it in the dump.

presently im on low income and getting  
a fuel adjustment (S.M.O.C) and a percentage  
of my elder care. my prescription cost  
110.00 plus every month and my health  
insurance at 240. every 3 months

my income from SSI is 516.06 a month  
my health is not the best and because  
of my age 70 I can not get a part time job  
I am very sorry this has  
happened

Yours Sincerely
